

Engagement Announcement

en•gage (en gaj), *v.*, to occupy the attention or efforts; to attract or please; to entangle or become involved, to become interlocked; built so as to be truly or seemingly attached in part to the structure before which it stands.

We are pleased to announce the engagement of our companies.

The future of advertising has arrived with EFX Experience™ state-of-the-art multi-sensory advertisement display system which engages, entertains and surprises the consumer by invoking visuals, illuminations, vibrations, scents, climate and audio effects.

*RSVP for your opportunity to join our **engagement**
Suzanne Mercado 800-856-5193*

Let us **engage** your senses and curiosity in this exciting emerging media by becoming partners in this inventive collaboration. The reception can be found uniting in malls throughout the country. Our **engagement** will drive brand relations, build consumer retention, and reach target audiences.

With our innovative multi-sensory advertisement display system, together we can keep the lead in the rapidly changing ad industry. **EFX Experience™ engages** the media landscape with the newest technology that reaches millions of consumers each month.

EFX Experience™ engages consumer retention as never before !!!

It captivates the audience.... movie trailers.... consumer products.... network interstitials.... advertisements.... record labels.... gamers.... and events. **EFX Experience™** reaches any target market and produces a buying frame of mind.
